NOW FOR BUSINESS.

Salem people have done their duty nobly in a public way. The Fourth of July, the Editorial reception, and Welcoming the Volunteers has taxed the patriotism, resources and energies of our munity called upon for three successive ponded in a most liberal and enthusias-

Now let us all get down to work, There is a splendid succession of harvests on. There is business for every man, woman and child from this time really want to work. Let us all attend Let us all mind our own business first

small duty that lies nearest at hand con-litical. scientiously. Instead of finding fault with the wages our neighbor pays his hands, let us each push his own buisness so as to give as much employment as possible, and if all do that there will be such demand for labor that CAPTAIN the wage question will settle itself, and even the returned volunteers will find Suggestions for the Improvement of the employment.

INSANE ASYLUM METHODS.

The announcement is made in a semiofficial manner that a successor to D. A. Paine as Asylum superintendent is to be chosen at the next meeting of the state board. It was expected that a In the army he is considered an authorchange would be made this week but ity on military subjects, and his books it was not brought about. After the board had met and the reporters were given the news of the day, the news that a change was to be made in September had not been given out. It was then given by one of the state board to a man not emplyed regularly on the press, and he "let out" the in-

It is probable this was done to hedge against the strong public sentiment that

Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, be-esuse it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I toted several prominent physi-

This includes a nust have \$5 a day for kid glove superrolls would show a constant record of raises to political pets. Other asylum superintendents have done the bidding on. There is employment for all who of the bosses at that institution, but none have gone so far in prostituting man who has ever held a political posi-Instead of worrying about what our tion in Oregon, and it is a shame to say neighbor is doing, let us perform the it, but the asylum management is po-

War Department,

Captain John Bigelow, Jr., whose book has aroused such a stir in military ireles, and may be the cause of his Lungs, acknowledged to be the most own court-martial, is the son of John Bigelow, at one time United States minster to France. Captain Bigelow grad- day and keep it always in the house, uated from West Point in 1877, and has 80 you can check your cold at once. been with the Tenth Cavalry ever since. on tactics have attracted the very facorable attention of European soldiers. His best known work before the Reminscences of the Santiago Campaign was called the Principles of Strategy.

Reminiscences of the Santiago Campaign presents some most interesting uggestions as to the complete reorganisation of the War Department, of which the following are perhaps the most im-

"The organization of the army," says two ideas of supremacy for the civil rival at Salem. ower and unity of command and re-ponsibility for the military power. I am impressed with the conviction that the War Department should be reorgansed so as to consist of a secretary of var, a number of assistant secretaries and a force of civilian inspectors and lerks. The secretary and assistant sec retaries should attend to the fiscal afairs of the army, the preparation of such orders as the president or secre-tary of war might see fit to issue, and he commissioning of officers.

The president should be governed in military appointments by the recommendations of the commanding gen-eral." Then, what is the most impor-tant suggestion that Captain Bigelow makes, there should be a great general staff and a general staff, the great general staff to be substaff and a general staff, the great general staff to be sub-ordinate to the lieutenant-general commanding the army. The duties of the est reflet. In fact, my con. great general staff would be substantially those of similar organizations in worse, the disease spread Europe—to gather and arrange for use over my cutire body, and, all kinds of military information from November to March

neck of the Bottle. COLONEL INGERSOLL.

If the death of Colonel Ingersoll has been a relief to the religious people of the country, their resignation to it has found very slight expression, Many good persons, and some deacons and persons of known pisty, have mourned for him unaffectedly. He was a genial, kind man, devoted to his family and Our Father in Heaven, with heads bowed his friends, and beloved by them, and cordially liked also by a great number of acquaintances. The sentiment that obtained very widley twenty years ago, that he was an emissary of Satan, whose chief delight was to promote the progress of the injudicious towards eternal punishment, has of late years very much died away. No doubt his boisterous hostility to revealed religion hart him. It did not take a profound mind to see that most of his discourse on religious matters, though, in a way, eloquent, was shalstrength in kicking dead dogs-an ex-Religious belief has progressed very much in the United States since the days when Colonel Ingersoll began to combat it. Few sane people nowadays distress themselves about the fate of unbaptized infants, or about foreordination and the prospective discomfiure of persons who had not the good fortune to be of the little company of the elect. It would seem as if we of this generation had more confidence. theoretically, in goodness and justice of God than our grandfathers had, and were readier to dismiss from our minds without scruple or struggle intentions imputed to Him by theologians which seem contrary to our instinctive sense of justice. We are satisfied that God is good, and in any theology which to our minds, represents him as cruel. we simply say there is some mistake,-Harpers Weekly,

There is more Catarrh in this sec tion of the country than all other di seases put together, and until the last few years was supposed to be incur scribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by of them have given the government F. J. Cheney & Co., Toledo, Ohio, is many years of faithful service and they the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful It acts directly on the blood end mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O.
